

Welcome

FROM THE PEMBROKE DOCK FESTIVAL GROUP

June 2006 will see the first ever Midsummer Festival hitting the streets of Pembroke Dock!

The Pembroke Dock Festival is an opportunity to celebrate the town's rich history, diversity and identity.

The result of this is a week long programme of dances, walks, live music and much more for everyone to enjoy and take part in. Come along, get involved and help make Pembroke Dock Midsummer Festival a week to remember!

The Pembroke Dock Festival Group would like to give a special thanks to the Uanion Communities First Partnership and PLANED for all their support in making this festival happen.
