

Welcome

The Pembroke Dock Festival Group is pleased to bring you the third Midsummer Festival. The Festival is now a well established event in the Pembrokeshire Calendar bringing a diverse range of activities including dance, music and cultural events to Pembroke Dock. As the Midsummer Festival is first and foremost a community festival, many events and activities are free to join, and we want you to come along and get involved.

The exciting news this year is that we are combining with Seafair Milford Haven 2008 to bring events to the waterfront of Pembroke Dock. Look out for the brochures, posters and press for events.

We would like to give special thanks to Pembroke Dock Town Council and Llanion Communities First Partnership for their continuing support for the festival and to all those local businesses and volunteers who help to make the festival happen.
